Playgroup—Monday mornings

Please note the change of day for Playgroup this year. If you and your babies, toddlers and pre-schoolers would like to join us for some fun, please come to the Middle Primary room on Monday from 9.00—11.00am. If you have any questions, please give us a call.

Uniform

After the sizzling start to the term the drop in temperature, particularly in the mornings, has been noticeable. Already there have been a number of un-named jumpers left in the class or in the big room at the end of day. Please check ALL items of clothing are named. If you need to purchase a jumper, please come and see Leanne in the front office as we have a number of very good second hand ones available. Shorts and track pants are also available.

Bushfire Safety Drill

Each year schools are asked to conduct evacuation, invacuation, and in our case Bushfire Safety drills. On Friday last week we practised our Bushfire Safety plan and it went exactly as planned. The children were fabulous in the way they conducted themselves. All the staff had previously spoken to their classes, however it was good to see everyone use the drill to ensure they knew what to do, where to go and ask questions to clarify.

HOW YOU CAN HELP

We ask parents and carers to:

- Read all bushfire information provided.
- Talk to your children about what will happen if a bushfire occurs when they are at school.
- Make sure your emergency contact details are up-to-date with our school.

Garden Beds

A big thank you to Jo who has started to revitalise the garden beds. We will be working on these in the near future and would like to fill them with a variety of produce. If you have seeds lying around, we would be happy to have any donations.
