Government of South Australia  
Department for Education

We are closing in on the end of another busy term and the year is at the halfway mark. Teachers are busy writing reports, which will be distributed on the last day of school, and we are eagerly making last minute plans for camp next week - a time when we would like the rain to hold off in the Adelaide Hills for three days.

You may have noticed that Lauren Cannizzaro has been absent for quite a few days. She has really been struggling with the winter germs and can't seem to get on top of them. She is OK but has been advised to take the rest of the term off so she can fully recover. Kate Clothier has offered to increase her time in order to cover for Lauren with the least amount of disruption to the JP Class. This week Kate will be working every day except today, Wednesday, when Sue Ryan, who has had the class a number of times, is in class.

Next week Kate and Leanne are both away – Sue will be in the JP Class on Monday for Kate, and also on Tuesday, our Term 3 Planning Day. Jeff Bellman will have the Primary Class then. We have 2 teachers and 4 parents on camp so we have that covered without Lauren.

In Week 10 Kate will work full-time. I'm sure you all join me in wishing Lauren a speedy recovery.

**Thank you** to Anna Cameron for working in misty rain on Friday to remove and dispose of the old sleepers and perma-pine posts.

### Governing Council Meeting

On Monday night the Governing Council reviewed our Attendance Policy. Last year our whole school attendance was 96.7%, which is excellent and something we strive to maintain.

Thank you to our school community who views attendance as a priority and supports our agreed procedures.

Odd days absent and lateness can soon add up, so please keep up the good work!

### INTERESTING FACTS

**Six days' absence per term from junior primary to the end of year 7 equals one year of schooling missed.**

**Half an hour late each day equals five days absence per term.**

## Fun Day Activities

Last week we had our first Fun Day of the year. We used to call them "Friday Fun Day" but the Primary Class decided that since we've changed days "Fun Day Fursday" is more appropriate.

On Thursday the 14<sup>th</sup> of June Mr Bellman came to our school to do wood work. Caleb, William and I all brought our drills from home to use. At twelve o'clock we got to work sand papering, screwing the cabs to the base and putting on the trays. I was putting wheels and axels on, Caleb was tightening the axels, William was putting on the bullbars and Mr B was putting on the smoke stacks and number plates. That was 'Fun Day Fursday'.

On Thursday the 14<sup>th</sup> of June at 12.00 we had "Fun Day Fursday" and the girls did Pebble art with Mrs Ryan.

First we looked for some pictures and once we had done that we painted our canvas.

Next was lunch. After lunch we picked our pebbles and placed out our design and collected sticks if we needed to. Following that we painted our pebbles then hot glued our pebbles and sticks on our canvas. Some fell off so we had to glue them on really well.

When everything was stuck on we drew little animals on the rocks like a bee and a bird. I think it was fun and I enjoyed doing it.

## Footy Clinic

Last Friday, Tim Auckland came to our school to teach us some skills in football. First he taught the J.Ps some skills, played some fun games and they learnt some ball skills. After the JPs finished, they got some Bulldogs stickers.

Straight after that the UPs went out to the oval. He taught us the same things as the JPs but more difficult so we could have a challenge. First we played 'Stuck in the Mud', but football-styled, after that the UPs did some ball skills. The UPs also got some stickers.

Thanks to Tim Auckland for coming out to our school and teaching us skills. We really enjoyed learning new things and having fun.

## New iPads

Our old iPad minis had seen better days and had bulging batteries, so we have ordered 10 new regular iPads to replace the 9 that "died". We have some very helpful technicians in the Department who will set them all up for us and help monitor and download apps remotely.

Hopefully we'll have them up and running ready for the new term.

**PETS AND POEMS WITH ARTIST LAUREN HERRAMAN**

Thursday 11th July from 10-11.30am

Do you have a like budgie named Bill who is brilliant at board games? Or a goldfish named Garry who likes to play golf? How about a mischievous mouse, a rambunctious rabbit or dandified dog named David? If so then you will thoroughly enjoy this Pets and Poems workshop with artist, Lauren Herraman!

The purpose is to be as playful as possible by producing an artwork that places your pet in all sorts of exciting scenes and scenarios. You will also be encouraged to explore your creative writing skills and conjure up a poem or short story to accompany your piece. I will teach you some great drawing techniques and activities using pens, pencils, crayons and watercolours. Who knows what potentially guarding plots you will plan for your pets to pave their way out of.

Make sure you bring along a photo of your pet or favourite animal to use as a reference.

Cost: \$10 per child, ages 7-12 years. Bookings via [Eventbrite](#).

**LEGO ANIMATION WITH GOOROO ANIMATION**

Monday 15th July from 1.30-4pm

Participants will learn how to bring Lego to life using the Stop Motion Studio App available on mobile devices. The finished videos will be screened to the group and uploaded to YouTube via the Gooroo Animation Workshops channel to be shared with friends and family. The workshops are designed to inspire and provide the knowledge and tools to start making movies at home. All equipment and Lego is provided but kids are also welcome to bring in their favourite sets to work with.

Cost: \$25 per participant, ages 7+. Bookings [here](#).

**EVELYN ROTH'S NYLON ZOO**

Thursday 18th July with sessions at 11am, 12noon, 2pm & 3pm (45 minute sessions)

The Barossa Regional Gallery are super excited to be hosting the amazing Nylon Zoo as part of this July's school holiday workshop program. The NYLON ZOO is a choreographed participatory event - you are the dancers and performers! Fly like a bird or butterfly, hop like a frog or kangaroo, twist in a snake's coils, swim like a fish, bobble like a hoopla marionette. Then come inside our Incredible Story Theatre and let your imagination guide you through some wonderful stories! An experience all children will enjoy.

This is a gold coin donation event and maximum of 30 participants per session. Secure your place via [Eventbrite](#) and pay at the door.

**ANIMALS IN COSTUME WITH ILLUSTRATOR ZINIA KING**

Friday 19th July from 1-3pm

Join artist Zinia King to draw your own Anthropomorphic Australian Animal. Learn the art of pattern making and sew your friends with your detailed drawings.

Cost: \$15 per person, Ages 7+. Maximum of 15 participants. Bookings via [Eventbrite](#).
