Woodhouse Camp

How lucky were we with the weather last week! I checked my weather app for the hills on Saturday at lunchtime - it was 4°C and they'd had 40mm of rain!

Thank you very much to the parents who joined us: Anna Cameron, Toby Rosenzweig, Raelene Possnicker and Sean Donohue; and to Robyn Knights who looked after Grace on Thursday. Thank you to Shari and Mark for taking the lead, caring for the students and having lots of fun too.

This really was a fantastic camp! As usual Active Ed did a brilliant job, organising activities that fitted with our curriculum focus and were at different levels that challenged everyone. Mike and Jade were great with the kids and Matt was a maestro in the kitchen.

I was incredibly proud of all of your children. They worked together, helped each other, behaved beautifully and the Active Ed staff commented many times about how good they all were. They love working with our school!

We have booked a Victor Harbor camp with Active Ed for mid-Term 2 next year.

Primary students' favourite things on camp were:

Going on the big white and orange bus. I went up the side to get in. I was telling everyone what was happening. *Grace*

Spending time with my friends and my teachers. I enjoyed getting to know each other and becoming closer as friends. *Alana*

I really enjoyed playing the game of Jockey and then going for a night walk with our torches where we saw possums. *Zoe*

When we went across the river on the ropes. I fell in on the third rope and ran out quickly. *William*

I really enjoyed this camp because it was challenging and educational. *Ethan*

When we did a water challenge because it was challenging. My second favourite was orienteering and the big slide. *Jack*

I really enjoyed doing all of the activities on Challenge Hill. I did it really fast and I liked how there was so many different things to try. *Connie*

The Mouse Trap because it was really dark and narrow and I liked the really big slide. *Alex*

I liked doing the team games. We had to work in small groups to get a ball on top of a cone using ropes, it was really tricky. *Caleb*

I really liked the orienteering activity because we had to find certain letters and numbers on a post. *Mattika*

I really liked how everyone supported each other on Challenge Hill, and the food cooked for us all. *Mrs GB*

I conquered Challenge Hill
at Woodhouse Activity Centre!
