Government of South Australia
Department for Education

I am looking forward to reporting back to you how our stall goes at the Angaston show in the next newsletter. We have been busy preparing for this event for tomorrow. Look forward to seeing you there.

The past two weeks have flown by, we have had many learning opportunities that have stretched our students thinking and at the same time it has been very rewarding to see how our students show perseverance and resilience. Growth mindset is a very important skill and part of children's development. Here are a few ways you can support your child at home:

DEVELOPING A **GROWTH MINDSET**

INSTEAD OF.....	TRY THINKING....
I'm not good at this	What am I missing?
I give up	I'll use a different strategy
It's good enough	Is this really my best work?
I can't make this any better	I can always improve
This is too hard	This may take some time
I made a mistake	Mistakes help me to learn
I just can't do this	I am going to train my brain
I'll never be that smart	I will learn how to do this
Plan A didn't work	There's always Plan B
My friend can do it	I will learn from them

SRC for 2021

Our Upper Primary students discussed SRC roles. The year 5 and year 6 students had to apply for the positions they wanted and give reasons why they would be most suitable. They voted that each term it would change to give more students the opportunity to be on the SRC committee.

Term 1 I am pleased to announce that our committee is:

Chairperson: Alex
Secretary and Governing Council Reporter: Milly
Treasurer: Grace
Timekeeper: Ethan
Photographer: Taylor

Our SRC will help assist us in promoting our school values, supporting our local community through fund raising events and building a sense of belonging for all students by actively bringing forward ideas, suggestions and requests for changes to school practice. I can't wait to see how this group will work collaboratively in making a difference.

Future Event:

We have entered into the Barossa Scarecrow Competition as part of the Barossa Vintage Festival. It's free to enter and with the help from Tim Saegenschnitter and his team at Saekey Welding and Fabrication, he is going to make our vision come true. They are making 22 scarecrow frames for our students, so that each child will be able to create their own scarecrow by representing themselves in our display. Our Name is: KPS Among The Gum Trees.

This will mean we will need your support in collecting a few old items to be used that are old and not used anymore:

- ⇒ Hat
 - ⇒ A pair of shoes
 - ⇒ Pillow case
 - ⇒ Pants
 - ⇒ Gloves
 - ⇒ Stockings
 - ⇒ Plastic bags/newspapers/old pillows
- ⇒ Your help on the day when we are putting it all together would be great (keep you posted)

Please collect and put items all together in a bag with your child's name on it, so we can start putting it aside for them.

Installation will need to be completed by Sunday 28 March to be considered for an award. Winning Scarecrow to be announced at Get Back on Track, Angaston on Sunday 18 April 2021. Best Primary School Entry is a \$250 prize for Barossa Bowland Voucher. If you are finding it difficult in gathering any of the above items, please let us know so we can help.

Early Dismissal Form

Attached is a consent form from the Department that enable students to leave school early on specific days which requires your consent. The form outlines the conditions. If you have any questions please do not hesitate to come and see us. Please return to us by Friday March the 5th.

Internal times:

With the support from Governing Council, we are trailing some slight lesson time adjustments. This involves a half hour recess from 10:50-11:20am and a half hour lunch at 1:10-1:40pm. We hope this will support the students stamina within learning times and self regulation in the afternoons. It will have no impact on the start or finish times of the day.

Special Lunch Day: On the Thursday 4th March for lunch.

We will be cooking a sausage and hamburger bbq lunch for the students with our SRC reps. Students are able to come to school in casual clothes. Please be mindful casual clothes need to be SunSmart and shoes need to be appropriate for school activities. The cost is a gold coin donation. These funds will be going back into our vegetable garden at school to buy bags of potting mix. Please bring the donation on the day. Thank you for your support in advance.
