Thank You

I would like to acknowledge all the efforts for all the families and staff who come out on a wet and cold Sunday. The working bee was buzzing with excitement. We managed to paint half the cubby house, complete 1st stage of the fire pit, spring cleaned the shed and have our flag pole rope restored and operating again.

As for this term's Community Champion Award goes to Scott Gerhardy. We can't thank you enough for coming out in your spare time to fix our school cubby. This much loved cubby is used by all students and will hopefully be completed before next term depending on the weather over the holidays.
